President JOYCE got the meeting started promptly by inviting all to the partake of the fish, rice, salad etc. Some comments overheard indicated that fish is not the preferred choice of all. But it was very good!

DAVE STURTZ gave the invocation, which included a Ralph Waldo Emerson poem. DON MILTON led the pledge to Old Glory while JACK BEST helped JACK WETZEL to remember what song he wanted to lead. It was, "You're a Grand Old Flag".

There were no visiting Rotarians with us this week but our lovely exchange student, Camilla did attend.

Speaker: Yes, the speaker usually is the last item in the program. Not this time as Dick Stroyer, had to dash off to another engagement. He is Business Manager for the Penfield Players group. Some of us have also seen him on stage in one of their performances.

Dick gave us a summary of shows and activities of the group last season and a look at this season as well. The current show is "Social Security"; final performances are this weekend at the Penfield Community Center on Baird Rd. Next up will be "Sly Fox", to be presented at the India Community Center in late Feb., early March of 2007. He suggested that, as the facilities there are ideal for it, Penfield Rotary Club might want to partner with them, (something that has been under discussion for some time), providing the dinner part of dinner theater at the India Center. Our Board is to consider it.

Besides PRC, the Penfield Players are encouraging other groups to support their efforts both as patrons and as volunteers. Lions Club, Girl Scouts, some church groups are among those responding positively. They conducted a workshop for the Girl Scouts, which all enjoyed and led to earning merit badges for some of the girls.

Dick also mentioned that the show "Rumors", the one prior to "Social Security" will be an award recipient at a near-future TANYS ceremony. That's the Theater Association of New York State.

2nd Tuesday: NELSON CARMAN passed the potty for \$2.00 from each attendee who did not bring non-perishables on 2-2-2 day.

Announcements: MARY ANN MADY gave a glowing report of the Rotary Foundation Brunch at Belhurst Castle last Sunday. Don Alhart hosted as Chair of the Foundation Committee of District 7120. With Don, you have a built-in emcee. Kristin Miranda, whose beautiful smile we know from TV, and a member of the GSE team to Sweden, gave a delightful talk. A suggestion for gifts for those who have everything, (or at least too much stuff), would be to give a donation to the Rotary Foundation in their name. Great idea! Simplifies shopping. (Speaking of Don Alhart, he will visit our club on November 28th).

Jack Best has a challenge for us. Starting with a kitty of \$400, (residue from something else), and augmented by a similar amount donated by five of our club's members, we are well underway to a goal of having \$2,500 contributed by our club, to be matched by the District and then to be matched by R.I. for a total of ten grand. For what? The goal would be to offer a Christmas present of clean, potable water to some 4,000 Sudanese villagers. And, the donations could be added to your annual contribution to the Rotary Foundation and even count as your sustaining member contribution. Details will be given later about this timely chance to make a big impact before the end of this year.

Host families: Two PRC families have already signed up to host the in-transit District Governors Elect from many different countries when they visit here Jan. 23-27 enroute to training in Anaheim or San Diego or wherever they are going this year. One or two more are needed. If you can do it, notify Joyce and the Milt Mathews committee.

PRC Christmas Party: December 19th beginning at 6:30 p.m. at the Dolomite Lodge. In addition to your favorite sidekick, bring an appetizer or a dessert. Awards to be judged by the culinary committee. Hurry, hurry; see ED SUMMERHAYS to sign up to help with LPGA ticket sales at

Market Place Mall. Ed has the dates, times and sign-up sheets.

Money Matter\$: MARY NANNINI dogged the Chrysler folk\$ for the proceeds of our golf tourney-related test drives. \$500 to our treasury. How bout that? Don Milton paid to hear CHRISTINE PETERS explain how she required 11 stitches in her chin. She crashed into the wall at home in early morning hours while going for a drink of water. (I've heard some stories in my time, Christine; water, come on). NORMA WEBER was back with us for the first time in a long time and gave \$ for that pleasure as well as more to celebrate a new granddaughter (?)

MIKE BLOCH pitched in a dollar toward WALLY ASHNAULT's fine for a new 2004 Audi auto he spotted in Wally's driveway.

## Joyce's Rx

The foundation of Rotary is the Foundation. That is where our phenomenal successes begin. By coordinating our efforts and matching our funding we are able to make serious advances in helping solve important problems. Let's get together and really make a difference.

## THE 4-WAY TEST OF THINGS WE THINK, SAY OR DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
